Dear Parents / Carers

*It has come to our attention that some pupils from a Stockton school have received inappropriate images via their Instagram accounts. The police have been informed and are investigating, but we would advise you to be very vigilant in checking your child's activity online.*

*In our experience, children can be very worried about letting adults know if they have found anything appropriate online, so please do talk to them about the importance of children letting you know of anything they may see.*

*Please do note that guidelines on ages are there for a reason. It is essential we work together to protect your child online.*

*You can find information on the website to help with this.*

Kind regards  
Elisabeth Lee
