

Head Teacher: Mrs Elisabeth Lee

4th December 2017

Dear Parents and Carers

School council have been thinking about our school theme this half term which is Kindness. They have been listening to the views of pupils across school and it has been suggested that we do an act of kindness during Advent. School council would like us bring in any spare change we have (every little helps) to raise money for clean water and sanitation for a school in a third world country. This will be donated to Wateraid which work hard to provide these essentials.

Throughout advent we will be collecting any loose change, which will be counted up during our final week in school and donated. Our aim is to raise at least £160 (which is just under 60pence per child) in spare change. This would pay for a school handwashing facility with 4 taps.

Thank you for your support

Mrs C Roberts

(RE and School Council leader)

Safeguarding is our priority and all staff at Myton Park Primary School are committed to keeping your child safe
