14th December 2017

Dear Parents/Carers

We have been notified that a very small number of children in school have the "Slapped Cheek" virus.

Under health guidelines, we are advised to let members of the community aware of this, as it is a condition that can pose a risk to unborn babies. If you are pregnant and come into contact with the virus, then it is advised that you seek advice from you doctor or midwife immediately.

Kind regards
Elisabeth Lee
