

What Time Is It Mr Wolf?

One player is chosen to be Mr Wolf.

The other players stand in a line at a distance from Mrs Wolf and he stands with his back to the players.

The players chant, "What's the time Mr Wolf?"

Mrs Wolf then replies (for example), "3 o'clock."

The players take three steps forward. (3 steps relates to 3 o'clock)

This continues until Mr Wolf thinks the players are close enough to catch and after being asked the time he reply "dinner time," Then turns and chases the players. The first child to get caught becomes Mr Wolf.

If a player is not caught, the same Mr Wolf is "on" for the next game.

If a player reaches for Mr Wolf before dinner time, they tap Mr Wolf on the shoulder and run for home. If a player is caught by Mr Wolf that person is then Mr Wolf that person is then Mr Wolf for the next game.
