

Year 6 Open Evening

24th September

EGGLESCLIFFE SCHOOL AND SIXTH FORM COLLEGE

Dear Parent/Carer,

If your child was born between 1st September 2009 and 31st August 2010, they will be starting secondary school in September 2021.

Applying for a secondary place is an important time in your child's journey. It is an exciting time choosing the right school for your son / daughter and we understand coming to a final decision takes time and in these unprecedented times, we know you will understand that most open evenings are now unable to be held 'live'.

At Eggescliffe we'd like to help make the transition to secondary a smooth one and have prepared a virtual open evening showing an overview of the school, students views and an opportunity to see what each subject offers. We hope you find this information useful and supports your decision for choosing the right secondary school for your child.

We'd love to meet you all in person but sadly due to the current restrictions we can't. Instead we're making our open evening available virtually via our website on Thursday 24th September 2020 from 6.30pm

Stockton Local Authority have the common application form. This form enables you to put your list of schools and the reasons why. All applications need to be made online by 31st October 2020.

Kind Regards,

Eggescliffe School
