Acting Head Teacher – Mrs Vikki Boddy

14<sup>th</sup> October 20

Dear Parent/Carer

During these unprecedented times we are all facing tighter restrictions. Over the last 2 days we have had to ask 3 bubbles to self-isolate due to positive COVID tests but every day we are notified of children self-isolating due to a family member either waiting on a COVID test result or displaying symptoms. Thank you for all your support and co-operation with this.

It is very apparent that the number of infections is rising and it is essential that everybody follows the local/national guidance. From the school's perspective we want the children in school as they learn better here and it provides much needed structure.

**We would like to request therefore that with effect from tomorrow, Thursday 15<sup>th</sup> October 20, all adults wear a face mask when on the school premises.** Staff will wear masks/visors at the beginning and end of the school day when there is an increased likelihood of close proximity between adults. These measures are for the mutual protection of all adults when on the school site.

One of the things we have learnt since March is that there is a wide spectrum of anxiety across all our community. We are asking for all members of our community to respect that others may have greater anxieties than themselves and to be extremely considerate of others. We are all in this situation together and it is set to continue for the foreseeable future. We hope we can find a sustainable balance which helps keep children and everybody in our school community feeling safe.

Take care

*Vikki Boddy*

Mrs Vikki Boddy

Acting Head Teacher

Safeguarding is our priority and all staff at Myton Park Primary School are committed to keeping your child safe
