Acting Head Teacher – Mrs Vikki Boddy

13th October 20

Dear Parents/Carers

In line with government guidelines, the children in Reception will now be working at home using an online platform.

You should all now have your codes to access Seesaw. Follow the instructions using your individual codes to set up an account. Work will be posted until Friday 23rd October. One set of action words will be posted this coming Friday morning to learn for the following week. There will be a daily sound posted and instructions on how to teach the sound.

Also, every day I will choose either a Maths, Reading or Writing activity and an enjoyable practical activity involving the other areas of learning. Please remember, it is important to continuously practise letter and number formation and to share books with your children.

Thank you for your support during these challenging times.
