22nd October 20

Dear Parent/Carer

Next half term our topic will be *Is it shiny?* and we will be talking about different festivals and how we celebrate. Can your child bring in pictures of themselves celebrating special events in their lives, for example cultural festivals or birthdays? We will be encouraging them to talk about their pictures, including the name of the celebration, why it was a special time and how they celebrated. To help to support your child, you could send a brief description to enable us to ask questions and to support your child when answering. We will use the pictures and quotes from the children to create a celebration-themed display.

The kinds of questions we will be asking are:

What are you celebrating in your picture?

What special things did you do to celebrate?

Did you have any special food?

Did you wear special clothes?

Did you go somewhere special to celebrate?

Who did you celebrate with?

What other events do you celebrate?

Many thanks for your continued support – have a lovely half term
