**November 2020**

**Join us digitally for the finale of The Festival of Light and Colour 2020**

**Dear Parent / Carer**

**As you may know on Wednesday 11 November your child is going to be participating in activities such as Diya painting, lantern making, Bollywood dancing and many other activities as a part of The Festival of Light and Colour at school. In the evening, the final part of the festival is being live streamed from our YouTube channel from 4pm. We would love it if you, your child and the family would take part in this evening's programme of activities.**

**From 4pm cook along live as you'll learn to make a host of sweet and savoury dishes in the Cookery Workshop with Umar, Simi and Aradhana. The recipes and ingredients lists will be on our website linked below.**

**At 7pm, Umar will invite all to settle in and hear him tell the story of Diwali to close out the day and the festival for this year.**

**We hope you can join us for The Festival of Light and Colour 2020 and encourage you to get involved on social media using the hashtag #FOLCStockton**

**Kind regards, ARC Box Office**
