Myton Park Primary School Single Equality & Accessibility Plan Introduction

Myton Park Primary school is an inclusive school where we focus on the well-being and progress of every child and where all members of our community are of equal worth. We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups. The Single Equality Scheme brings together the school's approach to promoting equality in our policies and procedures, and most importantly, in our day to day practices and interactions with the school community. Our scheme includes pupils, staff, governors, parents, carers and all those within our extended school community. We are committed to responding to all diversity related legislation and feel that a single equality scheme is the best way to do this.

In accordance with "Public Sector Equality Duty" we have adopted a proactive approach to equality. This means that we will:

Take positive and proactive steps to identify areas of potential inequality before they have the chance to make an impact

Make changes to ensure that any areas of potential inequality are eliminated. Potential areas are:

Disability

Gender reassignment

Race

Religion or Belief

Gender

Sexual Orientation

Age

We will continue to meet our statutory duties by reporting annually on the progress of the Single Equality Scheme and School Development Plan. This will be reviewed by our Governing Body.

We respect the religious beliefs and practices of all staff, pupils, parents and carers and comply with all reasonable requests to religious observance and practice.

We ensure that all recruitment and employment are fair to all and provide opportunities for everyone to succeed.

-  Encourage and develop greater parental involvement and support for our school to accomplish these aims we need to work closely with families.

Equality Impact Assessments

Equality impact assessment is a systematic method of rigorously checking all school policies, procedures and practices to ensure they are genuinely accessible and meet the needs of our staff and the local community in relation to age, disability, gender, race, religion and belief and sexual orientation.

We will undertake assessments to identify the impact or effect of our policies, procedures and functions on various sections of the population, paying particular regard to the needs of minority groups. Where negative impacts are identified, we will take steps to deal with this and to ensure equality of service to all.
