Key Worker Provision

Dear Parent/Carer,

I am looking to simplify the way in which we identify the children of critical workers who require a place in school each week. I will be using Microsoft Forms as a trial. Where parents are asking for a place in school for the first time we will be in touch to ask you to submit proof of critical employee status.

As I have previously said, school attendance during this lockdown is high and we are working hard to ensure all who need a place can access one. However, we are in a period of national lockdown and we all need to do what we can to support the Government's stay at home message. I would like to draw your attention to the wording within the revised Government guidance issued on Friday 8th January 2021:

'Children with at least one parent or carer who is a critical worker can go to school or college if required, but parents and carers should keep their children at home if they can.'

Please be reassured children at home are accessing the same curriculum as those in school, and we are continuously looking to develop our remote offer even further.

This is not an easy letter to write as we really miss having all of the children in school, hopefully with the vaccine program starting it will not be too long before we can return to normal. For now, given the current circumstances we find ourselves in, you should keep your child at home if at all possible.

If you do need a place in school, look out for the email, click the Forms link and respond to the questions there. If you have any queries or concerns please do not hesitate to get in touch with me.

Yours sincerely

Janis Williams
