Head Teacher – Mrs Janis Williams

5th January 21

Good Evening,

Hopefully, this is the last time you will hear from me today. I would like to confirm that if you emailed school requesting a school place a place has been allocated. This is on a need only basis. Thank you for sending through your shift patterns and evidence of employment, this is helping us to keep the number of children in school as low as we can while still supporting our families and community. I will mark on the registers the days your children will be in school based on this information.

For children in Nursery, they have been allocated a space based on their usual Nursery timings, this is not being extended.

From tomorrow, we are restricting the number of adults that come into school. You will not be able to make contact with class teachers either during arrival or collection, nor will you be able to come into school with a query. If you need to contact us, please call the school office and likewise if we need to speak with you we will contact you by phone. I am currently looking into additional ways in which you can communicate with school but more about that later.

Please remember, only send your child to school tomorrow if you replied via email requesting a place and have also provided school with evidence of employment and shift patterns.

Again, thank you so much for your support and understanding over the last couple of days.

Kind Regards

Janis Williams
