Dear Parent/Carer,

It's hard to believe we are at the end of Spring Term, it has certainly been eventful. From entering a period of national lockdown and school closures, to our building work commencing and finally and most importantly the children returning to school. Before we finish for the holidays I wanted to share with you information about the return to school after the break.

Over the Easter holidays we will move into the second phase of our building work at the front of school. The main entrance to school will no longer be accessible and a temporary entrance and foyer area will be created. This will be a much smaller space and this, alongside ongoing Covid restrictions means that we are unable to allow people into the school building, unless by prior arrangement. If you need to speak with a member of staff, please contact school by phone or text and we will arrange for you to be contacted.

The car park will continue to have restricted access to parents after the holidays but we do still have an arrangement with Tesco to use the section of carpark opposite Bannantynes.

As we move into the holidays we are also at a new point in the lifting of restrictions. As from Monday we can now meet with 6 people in an outdoor area or garden – fingers crossed for good weather. From everyone here at Myton Park we would like to thank you for all of your ongoing support and wish you a safe and enjoyable holiday. We will see you all on Monday 12<sup>th</sup> April 2021.

Yours sincerely

Janis Williams
