Dear Parent/Carer

We are a few days into the new school year and what a wonderful start to Year 5 it has been. The children are looking smart and appear very happy to be back in school. With the updated COVID 19 guidance, we are looking forward to what promises to be a more normal way of working in and around school. We are delighted that this also enables our Bushcraft residential to go ahead.

Yesterday we received notification from Bushcraft that in order to maintain COVID safety, they are having to reduce their capacity over the Autumn term and therefore need to change our booking.

The new dates we have been given are Monday 20th to Tuesday 21st September. We have worked hard behind the scenes and have been able to rearrange staffing and the bus. Having missed this residential last year, we feel it is vital we do all we can to make sure the children have this experience.

We hope this change of dates doesn't cause too much inconvenience but this was beyond our control. Please do not hesitate to contact school if you have any queries.

Yours sincerely

Janis Williams
