Head Teacher – Mrs Janis Williams

1<sup>st</sup> December 21

Dear Parent/Carer

At Myton Park we are very proud of our partnership with the Stockton Initial Teacher Training Scheme, helping to develop the next generation of teachers.

Mr Simpson is currently working as a student teacher in your child's class under the guidance of Mr Harvey. As part of his professional development he is required to complete a number of assignments and research projects which contribute towards his Postgraduate Certificate in Education.

This term he is conducting a research project into the impact that questioning within teacher to pupil talk has on learning. This requires him to complete up to a maximum of 4 audio recordings of taught sessions in order to complete his analysis. The sessions will take place between 6<sup>th</sup> and 9<sup>th</sup> December and the children would not be identifiable.

The Research Ethics Committee of Sheffield Hallam University have approved this research as it complies with data protection requirements and protects the confidentiality and anonymity of children.

If you have any concerns, please contact Mr Harvey in the first instance.

Yours sincerely

Mrs J Williams  
Head Teacher
