Dear Parent/Carer,

Spring Term Interim Report

Enclosed is your child's Spring Term report and represents an assessment of your child's learning at this point in the year. This is a short report designed to give you an overview of your child's attainment and achievement this term. This term's report format is slightly different to previous interim reports as we are utilising the facilities available to us as part of our assessment tracker.

The assessment on your child's report represents where they are in relation to their learning so far this year, tracking from Autumn Term. For example, where we are indicating they are working within expected, this demonstrates that they are on track to achieve expected standard at the end of the year, if they continue to progress at the same pace.

As previously, we have made the decision to coincide the timing of our parental consultations with the release of the termly report. This will give you the immediate opportunity to discuss the report with your child's class teacher.

Yours sincerely

Janis Williams
Headteacher
