1. Aims

This policy aims to:

Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible

Set out how the school will make decisions on pupil premium spending

Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the pupil premium conditions of grant guidance (2017–18), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

In addition, this policy refers to the DfE's information on what maintained schools must publish online.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

We have a very small cohort of pupil premium pupils with a combination of needs. We use a combination of evidence of the Education Endowment Fund, teacher knowledge and parent/ carer wishes when deciding how the money should be spent. We consider the development of the whole child – including social, emotional and learning needs.

We consider the needs of the pupil premium cohort

We consult with parents as to how they would prefer the money to be allocated

We offer reduced costings for after school clubs, school trips and residential trips, in consultation with parents and carers

We provide a variety of support. This includes some therapeutic support where necessary for the child and family members; the employment of teaching assistant support and financial assistance with after school clubs and school trips.

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's requirements on what maintained schools must publish online.

Our pupil premium strategy is available [here](#):

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils across school.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils:

With a parent serving in the regular armed forces

Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census

In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

6. Roles and responsibilities

Publishing the school's pupil premium strategy on the school website each academic year, as required by the DfE

Providing relevant training for staff, as necessary, on supporting disadvantaged pupils and raising attainment

Holding the headteacher to account for the implementation of this policy
