Head Teacher – Mrs Alison Morgan

26th February 2024

Dear parent/carers

sent by email 26.02.24

Myton Park Primary School has previously had a very active PTA who have done an incredible job of raising funds for the school and strengthening the school community.

We are really keen to relaunch this very much needed group in school and are looking for volunteers to help us. We are certain that the ideas, skills and support our parents and wider community can offer us will really make a difference. There are no expectations on the amount of time you can give – all support will be welcome.

We are also hoping to enlist the support of parents or grandparents to help us develop our vegetable plots and polytunnel ready for the spring and summer. The children will learn so much from helping to do this and from seeing the fruits of their labour.

If either of these are something you are interested in supporting or if you would like further information, please contact the school office.

Many thanks for your continued support for school.

Best wishes
Alison Morgan
