### **Bringing back gardening for the children at Myton Park Primary School**

Following closure over COVID, I am now endeavouring to bring back to school our very popular gardening project, commencing after the Easter break. Prior to closure, the children were very active, growing vegetables and fruit which was then sold in the playground at the end of the day.

Preparation of the raised beds and poly-tunnel is now, hopefully, in hand but success in running the project is dependent upon support from parents, grandparents, uncles and aunts etc. Initially I propose to run sessions on a Thursday afternoon from 1pm - 3pm with the addition of a Tuesday at a similar time if support is forthcoming. At any one time, 3 adults are required for each session.

If you are able to give us some of your spare time (this does not need to be every week), please speak to Mrs Mather in the school office.

Should you require any further information, please let me know and I will be pleased to have a chat with you. You don't have to be an expert gardener, just enjoy gardening with the children.
