Head Teacher – Mrs Alison Morgan

5th September 2025

Dear Parent/Carer

In assembly this morning, we discussed the following question:

How can you use your voice to make our school community a better place?

As part of this, a competition was launched to design a class suggestion box. We know how creative our community is so would like to invite designs from the children to decorate a 15cmx15cmx15cm box for their classroom.

Designs can be on paper or if you want to make a prototype it is entirely up to you. The boxes will be provided for the competition winner in each class to make their design come to life. This will then be used in each class during the year and school council will feed back any suggestions the children have.

Please make sure entries are clearly labelled with the child's name and their class.

Have fun!
