Head Teacher – Mrs Alison Morgan

9th October 2025

Dear Parents /Carers

I hope this message finds you well.

As part of our ongoing efforts to support each student's development and celebrate their unique strengths, we would love to learn more about the clubs, hobbies, and talents your child is involved in outside of school.

Whether it's sports, music, art, dance, coding, or any other interest, knowing about your child's activities beyond the classroom helps us better understand and support their passions. It also allows us to recognise and celebrate their achievements, and even create opportunities to connect those interests with their learning at school.

If you could take a moment to share the following information, we would greatly appreciate it:

What clubs, teams, or organisations is your child involved in outside of school?

Does your child have any particular hobbies or talents they enjoy pursuing?

Are there any accomplishments or milestones in these areas you'd like us to know about?

Please send the information with your child by Friday 17th October

Thank you for your continued support. We're excited to learn more about the amazing things your children are doing beyond the classroom!

Warm regards,

Vikki Boddy

Deputy Headteacher
