13th November 2025

Dear Parent/Carer

Christmas Performance Nursery and Reception

Following on from the diary dates sent out earlier this term, the Nursery and Reception Christmas Performance will take place on Tuesday 9th December 2025 at 10.00am.

In order to ensure we do not exceed the number of people our regulations state we can have in the hall, we are issuing tickets to this event. We are initially guaranteeing each child three tickets to this performance. We understand some families would like more than three tickets and some will not require all two. This is our starting point to ensure all families have the same opportunity.

Please complete and return the attached form, firstly indicating how many of the allocated three tickets you require and secondly if you require more tickets stating how many you would ideally like. Once all families have been allocated their initial tickets, we will distribute any spare tickets. Should demand be greater than supply, this will be drawn on a lottery basis.

Tickets must be provided on arrival for the performance, unfortunately we will not be able to admit anyone who does not have a ticket. Entry to the performance is via the main school office.

Further details around any requirements for the performance will be shared directly by your child's class teacher.

Yours sincerely

Alison Morgan
Head Teacher
