Dear parent/carers

At Myton Park, we want to give our pupils as many life experiences as possible and are continually looking for ways to broaden our school curriculum. As a result, we have decided to introduce our *Sixty things to do before you leave Myton Park Primary School* challenge.

Overleaf, you will see a range of activities we'd love you to capture. Of course we'll try to incorporate as many of these as we can into their school experiences, but would welcome your participation in planning, enjoying and ticking them off too. Any achievements we'll celebrate in school and on Facebook if we have your consent.

Have fun!

Sixty things to do before you leave Myton Park Primary School

At Myton Park Primary School we want all our pupils to be nurtured, inspired and to achieve. We also want to capture and celebrate experiences outside school. We have taken inspiration from the National Trust 50 Things to do and the DfE's passport to create this record. Please help your child to tick these activities as complete. We will do the same, every opportunity we get and will celebrate their achievements with them when they bring these forms back into school.
